SECTION IV - COMMENTS

The Foursquare Church is pleased to give our Ecclesiastical Endorsement to Pastor Michael Wilson to serve as a US Coast Guard Auxiliary Chaplain. Pastor Wilson is uniquely qualified to serve the sailors and authorized DOW Civilians of the US Coast Guard Auxiliary: He has been a senior pastor since 1985. Prior to his civilian pastoral ministry experience, Pastor Wilson served as an enlisted Airman in the US Air Force, giving him valuable experience understanding military culture and chain of command. Most importantly, Pastor Wilson believe the Lord is directing him into this new ministry with the US Coast Guard Auxiliary. We believe that Pastor Wilson will make significant and lasting contributions to the US Coast Guard, and will be a valuable member of the USCGA Religious Support Team.
